Unofficial: Evans, Parker, Howard, Shapero Win Con-Con Primary

Voters in the 4th senatorial district turned out in an apparent record low number Tuesday to nominate candidates for delegates to the state constitutional convention.

As The BUGLE went to press yesterday (Wednesday) unofficial results from GOP sources showed the probable winners to be Marshall Howard, Park Ridge, 8,307 total votes; Dr. Clyde Parker, Lincolnwood, 7,739; Mrs. Anne Evans, Des Plaines, 7,558 and Theodore Shapero, Skokie, 4,617.

According to a spokesman for the Maine Township Regular Democratic Organization, unofficial Maine township results showed Howard 6,175; Parker, 4,598; Evans, 5,479; Shapero, 1,349 and Lavin, 2,433.

With Tuesday's primary trimming the list of candidates to 4 in each of the state's 58 senatorial districts, a run-off election will be held Nov. 18 to decide which 2 candidates from each district will be con-con delegates.

The convention, first to be held in Illinois since 1920, will convene in Springfield Dec. 8.

The 16 delegates are to draft a proposed new state constitution within 8 months. It will then be submitted to the Illinois voters not less than 2 nor more than 6 months after the convention adjourns.

By Bud Besser

Summertime is 'easy livin' time and early autumn time is apple-pickin' time. For a great Saturday or Sunday afternoon load the car with lots of kids and head northwest on Rand Road (U.S. 12) to the apple orchards in the Wauconda area. If you don't bring your own bushel basket, you buy them at the entrance to the orchards,...and then grab a ladder and begin pickin' and eatin'. After weighing and paying for your bushel (they don't weigh the apple-eaters or the price would likely double) it's a must to stop off at the store on the premises for taffy apples, donuts and cider. By the time the afternoon ends, you may swear off apple-eatin' for a few days but you'll have had a fine time and a great memory for an early fall afternoon.

This is also the time to plan for a week-end or an afternoon just driving around and drinking up the changing colors. If you can take off a Friday to Sunday week-end, there's no more colorful trip than driving north to Door County. If you can't spend the time, an afternoon trip in our area can still be worthwhile. One of our favorites is a drive north on Sheridan Road thru the heavily-wooded North Shore. A stop-off at the Bahai Temple is always most interesting and then stop off a second time in Glencoe at the North Shore Congregation Israel synagogue. It's a beautiful building created by a Japanese architect, who blended in the flowing white arched walls amidst the beautiful surrounding wooded area. Another surprisingly short trip, via the Dan Ryan Expressway, is to head south to the Indiana Dunes about 10 miles past Gary. It's a great area for 'just tramping' and during the time when the leaves have changed colors it is a breathtaking place to be.

* * * * * * * * *

The Kabuki Theatre comes to Chicago tonight and it's an event which should not go unmentioned. While the Japanese plots may be difficult to understand, the beauty of this far eastern theatre is the beauty of movement. While all the actors are male, the graceful movements of dance, music and drama is indeed a rare viewing opportunity for westerners. The Kabuki is here thru Sunday at the Auditorium Theatre, which by the way, is Chicago's most handsome theatre.

While the Kabuki may not be your cup of tea we'd like to call your attention to the one-night stand of the Joffrey City Ballet, which will also be at the Auditorium Theatre in January. We spent a spell-bound 2 hours viewing a performance last year and we recommend early reservations for this year's one-night in Chicago.

In mentioning these events I'm not trying to create any egg-head impression I'm much of a culture vulture. Two years ago I stayed 5 minutes at the Opera, begging off for the washroom and winding up watching a ball game on TV at a nearby tavern. And being an old south side jazz fan, who used to sneak into Dave's Cafe and the old Grand Terrace, in the days when I was 15 years old, spell-bound by the old Hines, Basie and Hampton bands of the early forties, I've spent a couple of uncomfortable Friday afternoons listening to the Chicago Symphony. Still, being unschooled in these arts, doesn't prevent me from suddenly discovering music and dance which are most exciting. That's a message for the legion of Sunday beer-guzzling TV-football watchers, of which I'm a member.

Park Dist. Renews Push For TAM Parcel

Because of a new bill to be signed by the governor allowing liquor to be served on park property if food is being served, Niles park commissioners once again are pursuing TAM property which has been in limbo during these past months.

Park Board president Jerry Sullivan appointed Commissioner Jack Leske to study action to be considered with park attorney Gabe Berrafato to move the TAM legal problems off dead center at the September 16 meeting.

Niles Park Board has had an agreement to purchase the proposed 9 hole course north of Howard st. However, the purchase is pending the Anderson owners receiving industrial zoning for the TAM area and as of Tuesday's meeting no decision has been reached. Since there are only 38 months to go on the option for the Niles Park District to purchase the

New Home Ready Soon-- Board Balks At 'Bike' Plan

With the Village of Niles preparing to move into its new (or rather, remodeled) administration building at Howard and Milwaukee Nov. 1, 2 and 3, Tr. Keith Peck was named chairman of the dedication committee at the Tuesday night meeting of the Niles Village Board of Trustees.

Serving with Peck in making plans for dedicating the administration building as well as the new fire station, will be all the members of the board.

According to the Village Manager Ken Scheel, the present village hall at Touhy and Milwaukee will be closed on Oct. 31 and after "moving" the first 3 days of November, the new administration building will be open for business on Tuesday, Nov. 4.

* * * * * * *

In other business Tuesday night the board held a lengthy discussion on a proposed "bike path" plan which would involve a portion of Niles as well as Morton Grove and the Forest Preserve District.

While a general plan, proposed originally by the Cook County Council of Governments, has been laid out on a high-line basis and was approved by the board of trustees Tuesday night, the Niles board balked, for the time being, at approv-

Open Meeting Sept. 29

There will be an OPEN MEETING to discuss a proposed Ordinance regarding Outdoor Storage of Trailers and Boats in Residential Districts. Meeting will be held on Monday, Sept. 29, at 8 p.m. in the Niles Council Chambers, 7200 Waukegan rd., Niles, Illinois.

Golf Outing Today

Richard Harczak, l., and Charles Barbagila, r., co-chairmen of NCC-L Golf Outing, sponsored by the Niles Chamber of Commerce and Lions club of Niles. Event will take place Sept. 25, Thursday, at the Elmhurst Country club and will include dinner and dancing and prizes for all who participate.

Dist. 207 Bd. Lists Attendance Change Choices

Proposed attendance area revisions for Township High school Dist. 207 were presented to the Board of Education at its regularly scheduled meeting Sept. 15, at Maine East High school.

Changes in attendance areas for the high school district are necessary because of the scheduled opening of Maine North in September, 1970. The new school now under construction on a 52-acre site is located in an unincorporated area just north of Golf rd., and east of the Tollway. It will serve residents living in that general area.

Dr. Richard R. Short, Superintendent of Schools, presented the Board of Education with six different plans for attendance area revision. He said these plans had been developed after considerable discussion with staff members and represented the best thinking to date regarding this matter.

Robert A. Wells, Maine North principal, indicated Plan VI seems to be the most desirable for several reasons. "Plan VI provides for the immediate entry of Glenview's District 34 and all of Des Plaines' North Elementary school students to Maine North," he stated. "Also, by placing the southern boundary at Golf rd., Plan VI insures a comparatively small enrollment at Maine North when it opens in 1970. This will allow ample space at the school to handle the anticipated rapid growth of population in the surrounding unincorporated area."

Wells went on to point out that studies show that the greatest growth in Maine North enrollment will come from the area north of Golf rd., in District 63 (East Maine.) It is estimated that more than 2,000 dwelling units will be built there within the next few years.

John L. Means, board president, announced some time before the October meeting of the Board of Education a public meeting will be scheduled to give Maine residents an opportunity to present their views on the proposed boundary changes. He stated the board is hoping for a large attendance at the public meeting. Mr. Means said the board plans to officially establish the new attendance areas at the October meeting.

Enrollment projections for Township High School Dist. 207 were prepared by members of the administrative staff in January, 1969. The following table shows actual enrollments for the preceding three years of operation, the current year, and projections for the next five years.

Year	Actual Enrollment
1966-67	9,253
1967-68	9,940
1968-69	10,494
1969-70	10,984

Year	Projected Enrollment
1970-71	11,486
1971-72	11,778
1972-73	12,189
1973-74	12,500
1974-75	12,813

It is estimated that enrollment in Dist. 207 will reach 14,000 students by the late 1970's.

Several plans have been proposed for possible changes in the district's attendance areas. Using its present boundaries it is anticipated that Maine South's enrollment will level off at approximately 3,500 students. Therefore, the only boundaries affected in the proposed plans are those of Maine East, Maine West and Maine North.

The revised (September, 1969) projected enrollments for Maine East and Maine West, with existing boundaries, are as follows (Maine South remains constant at 3,500):

	Maine East	Maine West
1970-1971	4,320	3,685
1971-1972	4,500	3,800
1972-1973	4,740	3,960
1973-1974	4,920	4,060

The capacity of each of the three existing high schools will be expanded by September 1, 1970, to serve 3,500 students. It is apparent that by the 1973-1974 school year Maine East's enrollment to be approximately 1,400 students above the 3,500 capacity figure and Maine West's enrollment will be nearly 600 students above capacity.

There are several major factors to consider in changing boundaries: 1. Maine East and Maine West must obtain immediate relief from over-capacity enrollment. 2. Since Maine East and Maine West are complete educational facilities, good management dictates that enrollments in each of these buildings be maintained at close to the 3,500 capacity figure. 3. The expected annexation of Maine North to Des Plaines suggests that part of the student population at Maine North include students from the City of Des Plaines. 4. When each of the four facilities is complete, the attendance areas of the four high schools should divide the district in such a way to provide for approximately 3,500 students at each school. To prevent overcrowding, the second phase of construction for Maine North should be planned for occupancy no later than Sept. 1973.

5. During the transitional stage (Phase I of Maine North), students should not be expected to make more than one change in attendance areas within the district; i.e., students should not transfer from Maine West to Maine East and later transfer from Maine East to Maine North. 6. During this transitional stage only those attendance areas which lend themselves to a gradual transfer of students to Maine North without causing students to move more than one should be considered for adjustment in boundary after the opening of Maine North.

In proposing new school attendance areas, there are several criteria to be considered to assure continuity of the educational program and to

East Maine Caucus Opens Membership Drive

Believe it or not, the residents of elementary School Dist. 63 and High School Dist. 207 can have a direct influence in deciding who will run for the governing board of each district. The East Maine Township General Caucus gives them this chance every year. School board elections aren't held until April, but the school caucus is already at work. It will hold three general meetings - October, December and February.

This year, according to Morton I. Wax, caucus chairman, the caucus will be made more representative than ever before. Caucus membership has always been open to local homeowners, PTA, PTC, civic, religious and public welfare organizations.

About 30 such groups participated in caucus deliberations last year. Now, however, the rules have been changed to bring in groups whose physical headquarters may lie outside of the defined D/63-D/207 area, but which have a majority of their membership residing in the caucus area, if this majority consists of at least 25 members.

"We want to broaden our representation," Mr. Wax said, "and this change opens the door. We serve parts of Niles, Glenview and Morton Grove, plus a large unincorporated area. The lack of headquarter and meeting facilities in this unincorporated area has forced various groups to locate outside of our membership area. Now, if most of their members live in our area, they'll qualify for membership. We hope they'll take advantage of this opportunity. We want them in."

All organizations desiring caucus membership for the 1969-70 activity year must be represented by delegates at the group's opening meeting early in October. They are aked to contact chairman Wax at his home telephone, 729-3837, after 7 p.m.

The caucus urges all citizens to attend the regular meetings of its boards of education. Places and dates of these meetings, which are open to the public, may be obtained by calling 824-1102 for Dist. 63 and 824-4484 for Dist. 207.

Oak PTA Introduces New Principal

Parents met Oak school's new principal, Kenneth Johannsen, at the "Get Acquainted" PTA meeting Sept. 8.

Johannsen was introduced by Mrs. Erwin Cieply, Oak PTA president. Mr. Johannsen then introduced the teachers and other members of the teaching staff and Mrs. Cieply in turn introduced the teachers to their respective room representative for the school year.

Mrs. George Walters, first vice-president, introduced the new Superintendent of Dist. 63, Frank Dagne, who explained the new teaching concept — "team teaching" and "non-gradedness" program in the district schools. He then answered questions posed by the parents regarding the new system.

Colors were presented by Brownie Troop 238, under the direction of Mrs. Nancy Hrdlicka; Sharon Herman, Cheryl Swiatek, Susann Sinacore and Brownie Troop 308, under the direction of Mrs. Bodzewski, Trudy Seelos, Cindy Bodzewski, Jill Riend and Dawn Jensen.

Foreign Exchange Student From Iran At Maine East

Maine East High school in Park Ridge is hosting Shahin Alizadeh, foreign exchange student from Teheran, Iran. Shahin will be spending the year with Mr. and Mrs. Robert Hiller, 1750 Evergreen ln., Park Ridge.

Shahin Alizadeh

Although the school Shahin attended in Teheran is comparable in size to Maine East with a population of 4,000 students, the Iranian student will begin an entirely new schedule for attending classes. The school week in Teheran is six days in length, beginning on Saturday and ending on Friday. Classes are from 8 a.m.-noon, then students are allowed a rest period of two and one half hours, with school resuming at 2:30 and lasting until 4:30.

Shahin's family consists of his father, who is in the Ministry of Economy, his mother, and one brother and one sister. Shahin's brother, who is 23, is now attending the University of Toronto studying civil engineering. His sister is studying nursing in London.

The Hiller family, Shahin's "American parents," has three sons, two of which are away studying at school. The third son, David, is attending Maine East where he is active in student government and various school activities.

Shahin's course of study at home and here is directed toward the field of civil engineering and he feels that his experiences at Maine East will "help improve my English which is so necessary at the university in Teheran." When asked about his first impression of Maine East, Shahin replied, "Everything is strange; studying is so different, but I think the high school is a good one-classes are good."

David had this comment to make about his "foreign brother." "I regard this period as one of the greatest experiences of my life. The opportunity for becoming acquainted with someone like Shahin from another country is an invaluable one."

Niles Community Church

Rev. D. Douglas Seleen, Minister of the Niles Community church (United Presbyterian), will be preaching on Sunday, Sept. 28, from the Beatitudes on the subject of "Blessed are the meek." Worship services will be conducted at 9:30 and 11 a.m.

Concurrent church school classes will be held for 3-year-olds through 9th graders plus an Inquirers Group for high school students and adults at 9:30 a.m.; at 11 a.m. there will be classes for 4-year-olds through 8th graders. In addition, a care-group for toddlers through two-year-olds will be provided during both worship services.

Sunday afternoon, Sept. 28 at 3 p.m., the Tuxis youth group will have as its speaker Rev. Richard Lupke who works with Indian-Americans in Chicago. All high school sophomores, juniors and seniors are invited to attend.

The session's committee on Christian Education will meet Monday, Sept. 29 at 8 p.m. The two sections of the 1969-70 Communicants class will meet for the first time on Wednesday and Thursday, Oct. 1 and 2, from 7-8 p.m. respectively.

Battle Of Bands

The Niles Teen board proudly presents a Battle of the Bands, to be held on Sept. 27 from 7:30 to 1 p.m., featuring "The Wee Hours" vs: "The Chosen Few" vs: "A Slice of Heaven"

The dance will be held at the Niles Municipal building on Touhy and Milwaukee (the old fire house). Admission will be $2. All teens, freshmen and up are invited.

The Niles Teen board is a group of youths who are working to gain a teen center.

Welcome

A girl, Kamber Kay, was born in Lutheran General hospital, Sept. 1, to Mr. and Mrs. John Patrick Whalen, Jr., 490 Alles, Des Plaines. The baby weighed 7 lb., 10 oz.

Nilehi Bd. News, Notes

In a special meeting held Sept. 15, the Board of Education approved a total annual budget of $15,682,588.

But seven citizens attended the annual public hearing required by statute before final adoption of the budget. Those in attendance raised few questions.

Supt. Charles Szuberla spent most of the evening critically analyzing the Educational Fund portion of the budget, prior to an overview of the entire document.

Thw gross Educational Fund budget requested for '69-70 totals $9,993,425, an increase of $901,083 over '68-69.

The increase in this year's total budtet was about $1 million less than the increase in '68-69.

The superintendent indicated that because the present emphasis by the Board of Education is on the development of a quality educational program for all students, it is simply necessary to spend more money.

Explaining exactly why and where the Educational Fund increased this year, he said:

1, increase in student enrollment by 400 students -$310,426.

2, increase due to normal salary increments - $198,450.

3, increase due to salary schedule revisions - $258,332.

4, increased fringe benefits - $23,500.

5, increases due to new and expanded programs: (including library services, expanded work-study program, improved pupil-teacher ratio, additional personnel in Special Education, expanded Aeronautics course, expanded Computer Center, increased building security, establish Special Projects Office, provide for Lay supervision of study halls; for a grand total of $385,430.

The anticipated levy needed to raise necessary Educational Fund monies will this year be at the legal maximum — $1.2991 per $100 of assessed valuation. The overall total tax rate (which includes levies for five other funds: transportation - .0644; building - .31; bond and interest - .1974; retirement - .0294; working cash fund - .05;) for '69-70 will approximate $1.9503.

"We are greatly concerned about the increased cost of education," Supt. Szuberla indicated.

When asked by board member, Fred Lifton what could be done about that, the superintendent said that any forward looking school system must explore new technology, consider greater use of the skilled artisan in the community as a teacher, and study the potential economies in some kind of extended school year.

"If we continue to use today's methods, we won't be able to afford tomorrow's education — even here in Niles, the Superintendent concluded.

MTJC News

Maine Township Jewish congregation will celebrate the Festival of Sukkot with a full schedule of holiday services. A family Sabbath Sukkot service will usher in the week-long observance, Friday, Sept. 26 at 8:30 p.m. Rabbi Jay Karzen will officiate and deliver the sermon.

Satruday and Sunday services, Sept 27 and 28, will be conducted at 9:30 a.m. Junior congregation will have special services at 10 a.m. During the Sunday worship, the Lulav and Etrog from Israel will be blessed and carried in the traditional processions. Kiddush refreshments will be served after each service in the synagogue Sukkah-hut.

The USY (Teenage organization will host a regional Study Group Sunday evening Sept. 28, at 7:30 p.m. Seven area synagogue youth groups have been invited to join the MTJC teens to listen to Rabbi Karzen speak on "The New Morality".

Men's club will have their open meeting Wednesday, Oct. 1 at 8:30 p.m. at the synagogue. The Rabbi will speak on "Marriage and Sex."

Melnick, Fragassi, Mehring Aid Crusade

Dentists in the Skokie Valley United Crusade's service area of Golf, Lincolnwood, Morton Grove, Niles and Skokie are being contacted this month by two colleagues, inviting their support of 12 voluntary local organizations.

They are Dr. Harry J. Melnick, chairman and Dr. Robert E. Hoehne, co-chairman of the dental section of the United Crusade's campaign professional division.

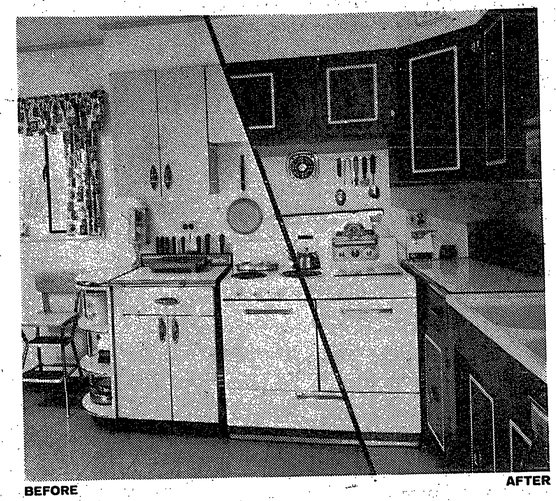
Dr. Melnick, in general practice, lives in Morton Grove at 8947 Mango ave., with his wife, Hope, and three children, Michael, 9; David, 8 and Aaron, 5 years old. He was graduated from Western Reserve university.

The 18th annual United Way drive is being directed by Bruce D. Harper, general chairman, in partnership with the Metropolitan Crusade of Mercy.

Four town chairmen for the municipal employes division of the Skokie Valley United Crusade's community fund campaign are announced by Bernard J. (Bud) Hohs, chairman of the division and director of public works for the Village of Skokie.

They are: Lincolnwood, Nadine Flannigan, a clerk in the village's water department; Morton Grove, Anthony P. Fragassi, director of public works for the village; Niles, Captain William G. Mehring, commander of the uniform division, Niles police department, and Skokie, Mayor Alfred J. Smith of Skokie.

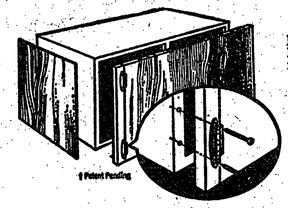
Unsightly Kitchen Cabinets? Don't Paint! Don't Paste-over!



BEFORE AFTER

Throw away the old doors and drawer fronts and replace with

FORMICA brand laminated plastic *Cabinetpak* T.M. LAMINATED PANELS



† Patent Pending

Your kitchen can have a new look that will last for years with little maintenance. No painting or refinishing . . . ever!

Just install Cabinetpak's* NEW doors and drawer fronts surfaced with Formica brand laminate.

Present cabinets, wood or metal, remain and serve as a framework for these NEW Doors and Drawer fronts.

Other exposed areas are covered with matching Formica brand laminate that is merely ironed on — and presto!

PRE-DRILLED HOLES SCREWS AND HINGES PROVIDED A SCREW DRIVER DOES IT!

- Use CABINETPAK'S* New Doors and Drawer Fronts To Replace Your Old.

A NEW KITCHEN . . .

- Do-It-Yourself in a Weekend.
- No Messy Torn-out Kitchen.

District 207 Board

continued from page 2

hold to a minimum the number of interruptions brought about by changes. The criteria are set forth as follows: 1. Maintain, as nearly as possible, present boundaries. 2. Maintain, as nearly as possible, junior high attendance areas. Since this cannot be done for several junior high schools, maintain, as nearly as possible, K-6 attendance areas. 3. Maintain, as nearly as possible, municipal boundaries. 4. Maintain natural boundaries (forest preserve, railroads, major highways) that will provide adequate and safe traffic routes to each school.

Some of the advantages and disadvantages of each proposal are tabulated as follows: Plan I- Advantages: 1. Maine East would be more in the center of the proposed attendance area in 1970-71. Disadvantage: 1. Very few students from Des Plaines are in the Maine North proposed attendance area. This is a strong objection in light of anticipated annexation of Maine North to Des Plaines.

Plan II - Advantages: 1. Glenview would be in the Maine North proposed attendance area in 1970-1971. 2. There would be no District 62 (Des Plaines) students at Maine East in Phase II. Hence the students attending North Elementary school (Des Plaines) would not be divided among three high schools. Disadvantages: 1. Students from the North Elementary School area of Dist. 62 would move twice, initially to Maine East, and in three or four years to Maine North when Phase II is completed. This is a strong objection. 2. Very few students from Des Plaines would be in the proposed Maine North attendance area in Phase I. This is a strong objection.

Plan III - Advantages: 1. A considerable number of Des Plaines students would be in the proposed Maine North attendance area in 1970-1971. 2. North Elementary School students would not be divided among three high schools. Disadvantages: 1. Glenview's entrance to the Maine North attendance area would be delayed until Phase II is ready. 2. The proposed Maine North boundary is very close to the Maine East school site. However, arrangements would be made for the small number of students from District 62 (estimated at 20) living south of Ballard Road and east of the Des Plaines river to attend Maine East.

Plan IV - Advantage: 1. A representative group of students from Des Plaines would attend the proposed Maine North attendance area. Disadvantages: 1. Maine West's ultimate enrollment would be below its 3,500 capacity. 2. Maine North's ultimate enrollment would exceed 3,500. 3. Glenview's entrance to the proposed Maine North attendance area would be delayed until Phase II.

Plan V - Advantage: 1. Maine North enrollment would be smaller than 3,500 and would allow space for any unexpected increase in enrollment. Disadvantages: 1. Entrance of Glenview to the proposed Maine North attendance area would be delayed. 2. Both Cumberland and North Elementary school attendance areas would be split between the proposed Maine West and Maine North attendance areas. 3. The number of students from Des Plaines who would attend the proposed Maine North attendance area would be very limited. This is a strong objection. 4. The development of a cohesive student body from so many scattered areas could be difficult.

Plan VI - Advantages: 1. Entrance of Glenview to the proposed Maine North attendance area would not be delayed. 2. All of North Elementary School (K-6) students would attend the proposed Maine North attendance area. 3. The initial enrollment at Maine North would be small enough to allow for the continuing growth in number of students expected from the area north of Golf rd. 4. A gradual phasing of other students from Maine West to the proposed Maine North attendance area could be accomplished without creating a hardship on individual students. Disadvantage: 1. Some elementary attendance areas from District 63 (East Maine) would be split until Phase II of Maine North is constructed.

It is expected that more than 2,000 housing units will be completed in District 63 (East Maine) north of Golf Road in the next few years. The attendance figures are very conservative for that portion of Dist. 63 (East Maine) which lies north of Golf rd. The figures represent a compromise between the actual count of students in the elementary grades and the projected enrollment made in 1966 by the Institute of Urban Life. For this reason, it is recommended that Maine North's enrollment be kept small initially in anticipation of very rapid growth. Plan VI provides a satisfactory means of accomplishing such an objective.

St. Luke's

At the 10 a.m. service of worship at St. Luke's United church of Christ, Morton Grove, on Sept. 28, the Rev. Charles Ross, pastor, will preach on the topic "Worshipping For Real". Sunday school for children from nursery through the 6th grade is also held at 10 a.m.

The first session of the 1969-70 Confirmation class will be held on Saturday, Sept. 27 at the church from 9:30-11:45 a.m. Anyone who is in the 7th through 12th grades and has not been confirmed is invited to attend this class. The class will be confirmed on Sunday, June 14.

The Youth Choir will begin rehearsals Saturday, Sept. 27 meeting from 11:45 a.m. to 12:30 p.m. This is open to all young people from the 7th to 12th grades.

Youth ministry meetings for both junior highs and senior highs will be held on Sunday, Sept. 28 from 7-9:30 p.m. All young people are invited to attend.

An Adult Educationseries on "Various Religious Faiths" will be conducted on five consecutive Tuesday evenings beginning Sept. 30. The sessions will run from 8 to 10 p.m. The first session will deal with the Protestant faith.

A class for new members will be held on Wednesday, Oct. 1 at the church at 8 p.m. We will then receive new members into the church on Sunday, Oct. 5.

Set "Fall Fantasy" Show

Arbor chapter of Women's American ORT will present a fashion show "Fall Fantasy" Tuesday evening, Oct. 28 at Devonshire Community center, 4400 Grove, in Skokie at 8 p.m.

Fashions will be shown courtesy of Sherwins Dress-Cotique of Skokie, and Chics and Chaps of Glenview. There will be refreshments served for added enjoyment.

Tickets are $2.25 each and may be purchased at the door the evening of the show, or by contacting Mrs. Fishman, 299-3148.

Arbor ORT will have their annual meeting, Wednesday, Oct. 1 at Orchard Twin Bowl in Skokie at 8 p.m. The program for the evening will feature a demonstration by the Talisman Art Center in Glenview.

ORT is an organization whose main goal is educating and training people to take their place in the world and to provide for themselves.

Blood Donor 50 Times

Ben Cianciarulo, 8420 Greenwood ave., Niles, recently donated his 50th unit of blood to Veterans Administration hospital, Hines.

Cianciarulo, a member of Colin-Kelly Post 17, AmVets, has been a regular blood donor at Hines since October, 1956.

Leaning Tower Notes

Leaning Tower YMCA, 6300 W. Touhy ave., Fall "Skill School" classes are due to begin the week of Sept. 29. Classes are being offered in sports and physical education, fine arts, special interest and hobby. A limited number of openings are available in the following courses. (A large number of these classes are also offered to non-member area residents.

Adult Sport and Physical Education classes (10-week term) will include: progressive swim instruction, judo, karate, yoga, fencing, American self-protection, scuba diving, women's trimnastics and volleyball. The popular "Lose Weight" program will be continued with morning and evening classes. Men's fitness (noon and evening) provide the businessman with a break away from his regular routine. A special six-week golf course will be offered (morning and evening classes).

Special Interest, Fine Arts and Hobby classes for adults (10 weeks) include: beauty and charm, artificial flower arranging, art, guitar, beginners bridge, hypnosis, dog obedience, square dance, modern jazz dance, social dance and photography. Short term courses for adults include a special seven-week "discotheque" dance class and "Principles of Successful Investing," five weeks.

Local youth will find a lively and outstanding program of classes to choose from. Ten-week courses: Teenage charm, theatre workshop, art, guitar, acrobatics, ballet and modern jazz dance. Sports and physical education classes (10 weeks) include: judo, karate, American self - protection, tumbling, trampoline, girls trimnastics, tennis, gymnastics, archery, body building (boys) and weight training for youth (boys). Also offered, girls water ballet, fancy diving, water games, life saving and progressive swim instruction.

An outstanding swim and gym program for children four months to seven years has proven highly successful and will be continued.

A six-week course Family skin diving (father and son, or mother and daughter) is also scheduled for Fall.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 556, or drop by the Leaning Tower YMCA and pick up a Skill School brochure. Babysitting services are available during daytime classes; Remember, classes begin the week Sept. 29. Advance registration is required.

Freshman

Joseph D. Dixson, director of admissions at Illinois college, has announced another record enrollment of new freshmen and transfer students is expected this month at the small, private liberal arts college which is beginning its 141st year.

Expected to be among the freshmen from this area is Diane Witecki, daughter of Mr. and Mrs. Edward Witecki, Niles.

Shop Locally

Dons Drub Lane Tech 20-0

Notre Dame's football Dons certainly deserve to be ranked as one of Chicagoland's foremost ball clubs following their convincing 20-0 drubbing of Lane Tech last Friday night.

Head coach Fran Willet, not the type of man to dish out undeserving praise to his players, claimed his team played "a tremendous ball game, with a superb defense and an excellent kicking game." Pat Callero's fine punting in the second half and an all-out effort by the kick coverage units kept Lane within the shadow of their own goal line. The "Superb defense" did not allow the Indians to make a first down until the fourth quarter, and took advantage of the fine kicking game to score one touchdown and set up another.

The Dons wasted no time getting on the scoreboard Friday night. They tallied the first time they had the ball, which came when Lane's onside kick attempt failed and gave them possession near midfield. Jim Rotunno combined with split end Ira Cranshaw to give the Dons a first down at the Lane 35. Three plays later on a key fourth and three situation, the Don signal caller again racked up a first down through the air, this time on a pass to halfback Gary Potempa on a play that carried ND to the Indian goal line. Halfback John Sherry plunged in for the score and the Dons had drawn first blood.

The remainder of the first half was a tough defensive battle, each squad forcing the other to give up the ball on downs. Lane Tech though, found themselves on the Notre Dame eight yard line after an advantageous punt exchange and two 15 yard penalties late in the first quarter. The Don defense rose to the occasion at this time, forcing the Indians back to the 16 in four plays. The half ended with ND on their way toward the Lane goal line, but time ran out with the Dons holding a 6-0 lead.

Lane Tech received the second hald kick-off, but could go nowhere. The Dons took over for their initial series of the second hald on their own 27, and runs of 7, 10 and 27 yards by bruising Gary Potempa carried ND to the Lane 43. A 5 yard burst through the line by Ken Maher brought the Dons to the 38, but successive 5 yard penalties forced them to punt.

For the next 10 minutes, ND put on tremendous defensive pressure. They forced Lane to punt from their own 25, scored a touchdown, and intercepted a pass on the Indian 9 in three successive series. Steve Anenen tallied for the defensive eleven when big Mike Ellefson deflected a Lane pass at the 5 yard line, and Anenen caught it in the end zone. The next time Lane had the ball, safety Bill Devoney made a remarkable interception on the Indian nine, sealing the ball a split second before it entered the intended receiver's hands.

The final points of the evening were scored at this time. Two rushes by Ken Maher netted a total of 4 yards and brought ND to the 5. On third and goal to go, Jim Rotunno hit Maher in the end zone for the score. However, this play was nullified by a motion penalty, which set the stage for Potempa's unmolested touchdown run from the ten. The Dons were then successful on a two point conversion when Rotunno lunged across the goal line on a quarterback keeper.

Although scoring terminated at this time, Notre Dame had opportunities to rack up more points. Linebacker Bruce Donash recovered a funble on the Lane 45, but the Dons then gave the ball back to the Indians by the same mistake. Midway through the fourth quarter, ND put together a 60 yard drive starting at their own 40. The march was triggered by a 22 yard scramble by Rotunno, a 16 yard pass from Rotunno to Maher, and a 21 yard scamper by junior halfback Hank Hines. But Hines' effort was negated by a penalty, and ND fumbled on the following play. Finally, on the game's last play linebacker Ed Pleines picked off a pass at the Lane 30 and ran 20 yards before being hauled down.

The 20-0 shutout was the result of a solid team effort by the Dons. The offensive line opened the holes for their running backs, the defensive forward wall held Tech to 49 yards rushing

With a 2 and 0 exhibition season behind them, the Dons are now setting their sights on their SCC schedule, which begins at Immaculate Conception in Elmhurst this Saturday afternoon at 2 p.m.

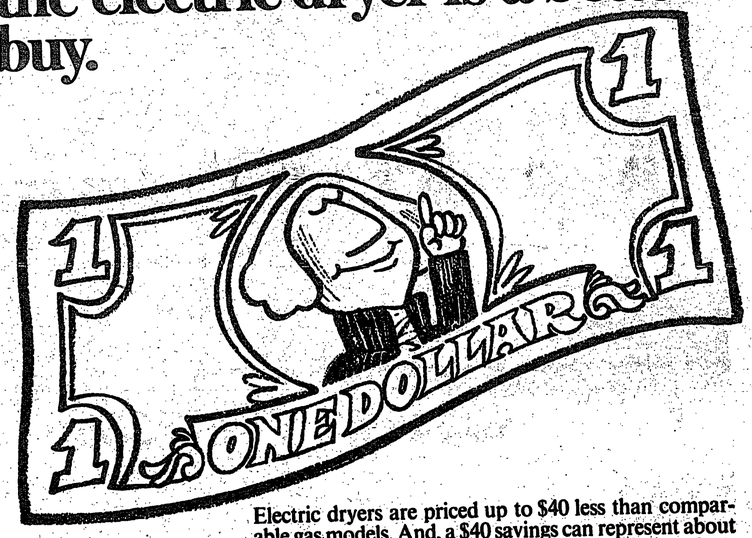
Monday, Oct. 13 - BOARD OF EDUCATION Meeting, Merrill school, 8 p.m.

Friday, Oct. 17 - Parent-Teacher Conference Day (No Classes)

Monday, Oct. 20 - Madison PTA General Meeting: Guest speaker: Dr. Franklin Fitch, Director of Professional services, Illinois Social Hygiene League, Madison school, 8 p.m.

Monday, Oct. 27 - BOARD OF EDUCATION Meeting, Carpenter school, 8 p.m.

Here's one of 40 reasons why the electric dryer is a better buy.



Electric dryers are priced up to $40 less than comparable gas models. And, a $40 savings can represent about three years of drying expense free, for an average family of four.

But economy is only part of the electric dryer story.

Electric dryers dry your clothes the same way as the sun . . . with radiant heat. Your wash will always be sunshine-fresh and wrinkle-free, day or night, in any season. Saving $40 and a lot of trips to the clothesline with a wet basket of clothes are good reasons to put a little more sunshine in your life—the new, radiant-heat electric dryer.

Commonwealth Edison Company

The bright new ideas are Electric.

New Freshman

Vito LoVerde, 7540 N. Nora st., Niles has been accepted as a freshman at Elmhurst college and was one of the 420 students participating in the Freshman Orientation Week, Sept. 4 - 7.

During the orientation period, the new students completed the necessary enrollment procedures; met with faculty advisors, student leaders and guest lecturers for discussions; toured the Chicago area, and participated in a variety of recreational and social activities.

LoVerde, a graduate of Notre Dame High school is the son of Mr. & Mrs. Dominick LoVerde.

Located west of Chicago in the urban setting of Elmhurst, Ill., Elmhurst college is a four year liberal arts institution.

Welcome

A girl, Shannon Kathleen, was born in Lutheran General hospital, Sept. 5, to Mr. and Mrs. David E. Kasper, 7150 Foster, Morton Grove. The baby weighed 8 lb., 8-3/4 oz.

Smith Joins Firm

Howard R. Smith, 7810 W. Davis st., Morton Grove, has recently joined the firm of Howe, Barnes & Johnson Inc., members of the New York Stock Exchange and the Midwest Stock Exchange, as a registered representative. The firm has offices at 208 S. LaSalle st., Chicago.

H. R. Smith

Mr. Smith completed a formal training period with the firm which included courses at the Investment Bankers Association and the New York Institute of Finance. Mr. Smith, a native of Chicago, attended the University of Illinois and DePaul university.

He comes to Howe, Barnes & Johnson following eight years as comptroller of a large automotive firm.

Mr. Smith and his wife, Janet and their two children have been residents of Morton Grove for four year.

Planning Grant For Niles Twsp. Special Education

Niles Township Department of Special Education is the recipient of a federal grant for planning an evaluation system during the 1969-70 school year.

The project is funded by the Elementary Secondary Education Act in the amount of $72,000. This figure represents 9% of the total E.S.E.A. allocation to the State of Illinois. Only eight Title III projects were funded in the state for this school year.

The project involves the 130 special education faculty members of the Niles Township schools. The faculty will be responsible for the formulation of program standards and specifications by the various categories of special education students. These standards will serve as a basis for evaluation techniques to be studied during the process of the project.

The project was approved by Superintendent of Public Instruction, Ray Page, in June and a search was initiated for a director. Dr. Howard D. Sims was appinted project director and began organizational planning in July.

Dr. Sims' office is located in the Lincolnwood school Dist. 74 administration building, 6950 E. Prairie rd.

The Niles Township Department of Special Education recently named four consultants to assist in the directing of the E.S.E.A. Title III Project for the 1969-70 school year. Dr. Calvin K. Claus will serve as curriculum advisor. Dr. Helmer R. Myklebust will serve as Special Education Advisor. Dr. Morris L. Haimowitz will serve as Social Psychologist. Dr. John Johansen will assist the project both in the areas of evaluation and administration.

$17,162,910 High School Budget Gets Dist. 207 Okay

Maine Township High School Dist. 207 budget for fiscal 1970 was adopted by the Board of Education at its regularly scheduled meeting held Sept. 15 in the Faculty Study at Maine East.

The $17,162,910.10 budget represents a three percent increase over the district's revised budget for fiscal 1969 which totaled $16,639,291.95, according to William P. Wuehrmann, Park Ridge board member and chairman of the finance committee. In commenting on the budget Wuehrmann commended Harold Markworth, the district's business manager, for a fine achievement in holding down expenditures in view of the continuing rise in the cost of living.

According to Dr. Richard R. Short, Superintendent of Schools, the budget contains 8 separate tax supported funds and is the basis for the establishment of the 1969 tax levy. Dr. Short stated that the funds derived from the 1969 tax levy serve as the basis for financing the 1970-71 school year.

Mr. Markworth stated that he did not expect the newly adopted budget to increase the tax levy. "I anticipate a slight decrease of perhaps one cent," said Mr. Markworth.

The school district's 1969-70 budget shows an increase of approximately $523,619 over last year's revised budget of $16,639,291.95. The budget was revised by the Board of Education in January, 1969, following approval of a 21¢ increase in the educational fund levy in December, 1968.

Much of the increase in this year's budget will go for the average $1,000 pay raise recently given to the districts' nearly 700 teachers. The largest amoung budgeted - $12,724,333 - is earmarked for the Educational Fund, from which instructional salaries are paid.

The Building Fund, out of which custodial salaries and building maintenance are financed, is budgeted at $1,921,330, about $120,000 over last year. The Bond and Interest Fund budget, from which outstanding bonds and interest are paid, is $1,840,747.10 for 1969-70. The Illinois Municipal Retirement Fund portion is $235,000, which is the Board of Education's contribution for the pensions of non-professional employees. Board funds are not used for professional staff pensions.

The amount budgeted for the Junior College Fund this year is $80,000, a considerable decrease over last year's expenditure of $550,000. The $80,000 will pay for "charge back" tuition payments for Dist. 207 residents who attended public junior colleges this summer, and for which the district was obligated. It will also pay for tuition payments for Dist. 207 residents attending junior colleges this year who live south of the Kennedy Expressway and who were not included in the new Junior College Dist. 535.

This year's budget includes two funds: the Special Education Building Fund and the Health and Safety Fund. The $119,000 budget for the Special Education Building Fund will be used to pay construction costs on facilities now being built at Maine East for handicapped children. The Health and Safety Fund budget of $180,000 will pay for Life Safety Code remodeling and renovation as demanded by the state.

A Construction Fund appropriation of $7,648,000 is not included in the total budget figure since it is long-term spending based on bond sales authorized by the March 11, 1967, referendum.

According to Markworth, a new state aid formula will give Dist. 207 about $1,143,527 for the 1969-70 school year, compared with $520,000 received last year. However, this additional $620,000 does not offset even the increased staffing cost for the current school year at the Maine high schools. He also pointed out financial support for Dist. 207 will still depend heavily on local property taxes, not on the new state income tax.

Last Call For Fashions

For the lady who is fashion-conscious and would like a preview of the coming fall and winter wardrobe, the St. John Brebeuf Catholic Women's club cordially invites all interested to spend an entertaining evening on Friday, Sept. 26 at the Fall Fashion Show at Aqua Bella Banquet halls, 3630 N. Harlem. Cocktails will be at 6:30 followed by dinner at 7:30 p.m. The evening will include fashions by Maurice L. Rothschild, a raffle and many door prizes.

Tickets are $6 per person and are available from Mrs. Pam Samorez, 967-9065 or Irene Douglas, 967-9415.

Student Speaker

Lawrence Olson, 18, full-time ministerial missionary, associated with the Morton Grove congregation of Jehovah's Witnesses, will be a student speaker during a three-day Bible convention Sept. 26-28. He will speak Friday evening, Sept. 28 at the Warren Township High school, 500 O'Plaine rd., Gurnee.

"Let's stop re-stating problems... We need solutions!"

THIS IS JOE MATHEWSON

I've traveled this 13th District and I can tell you this above all else—people are concerned. Deeply concerned.

Taxes are eating away at our standard of living. The air we breathe is often filthy—much of our water is polluted. And Vietnam—when will this abominable war stop ripping apart our families—our lives?

The time for waiting is over. These are problems that must be solved—and now!

Here's what I propose:

Taxation: Let's stop pussyfooting around. We *can* cut taxes—Through cuts in the Defense Department, in space, and in farm subsidies. I embrace the 6.8 billion dollar tax reduction proposed by the House. Further, 5% of Federal taxes raised in each state can and should be returned to that state. Returned as unrestricted revenue—with no strings attached—for local officials to use as they feel necessary. What's more, I support tax deductions for college education.

Pollution: We've got to save our environment. I propose we establish a new department, with Cabinet rank, to pull together, coordinate and enforce the pollution laws currently scattered over dozens of Federal agencies and offices. Only through a concerted, singular action can we hope to cut through the morass of bureaucracy that is choking the land and the air and the water we live in.

Vietnam: I support the President's basic thinking on withdrawal—and that the future of Asia will be determined by Asians. More specifically, I propose a five-point plan: Cease firing; suspend Paris talks and call for a more meaningful Asian conference of the five countries most directly concerned; continue the cease-fire throughout the conference; and abide by whatever decisions are made there—even if this includes withdrawal of American forces; and finally, offer economic aid and technical assistance to all five nations—to help them build from within and resist domination by Red China.

Joe Mathewson
Republican Candidate for Congress—13th District

Outstanding Qualifications • Former Press Secretary to Gov. Ogilvie • National news analyist for the Wall Street Journal in Washington • Television journalist for CBS • Navy veteran and community leader • Background in International Relations.

Niles Pony All-Stars Are Triple Crown Team

A superb team of 13 and 14-year All-Stars from the Niles Pony League completely dominated tournament play in the North and West Suburban area during August. Twelve consecutive wins over nine rival All-Star teams from nearby villages was accomplished under Manager Dan Kosiba and Coach Hank Mueller.

This undefeated team completely outclassed other teams averaging 14 runs per game to only 4 for their opponents. While being extended in only the 2nd Elmhurst game the heavy hitting team average of .342 allowed insurmountable early leads to be accomplished in most games. Barry Mueller was named M.V.P. in the Bellwood Tournament.

Tournament championships were won in Bellwood, Niles and Deerfield, from a total of 30 entries. The amazing results of each tournament are as follows:

Bellwood Tournament

NILES 12, HILLSIDE 1

The first tournament game for the Niles All-Stars was dominated by the excellent 2 hit pitching of Russ Anderson and a powerful hitting attack led by Fred Parker with 4 hits in 4 at bat. Barry Mueller, Ron Schaffel, Mike McDonnell, John Rotunno, Joe Stroka, Kev Scotellaro and Dan McDonnell also contributed to the 15 hit offensive attack to crush Hillside 12 to 1.

NILES 12, ELMHURST 3

The Niles stars second opponent was a tough Elmhurst team. Barry Mueller, the Niles pitcher, met the challenge with a 3 hit performance striking out 11 Elmhurst batters. At bat Mueller was 4 for 4 while driving in 5 runs. Ron Schaffel (3 for 4) and Fred Parker (2 for 3) also did some heavy hitting for Niles. Dick Allegretti Dan McDonnell, John Rotunno and Russ Anderson also contributed with hits while Gary Baluta sparkled on defense.

NILES 14, BELLWOOD 11 (Semi-finals)

In the semi-final game of the tournament Niles out hit Bellwood for the win. Led by Dan McDonnell (3 for 3), John Rotunno (2 for 3), Mike McDonnell (2 for 4), Barry Mueller (2 for 5), Russ Anderson, (2 for 5), Joe Stroka (2 for 3), and Ron Schaffel (who hit his second tournament home run) the Niles attack was able to supply enough runs to earn a win for Niles pitcher Russ Anderson.

NILES 3, ELMHURST 2 (8 innings) - Championship Game

The tournament championship game matched Niles, undefeated against Elmhurst who survived the loser's bracket competition in the double elimination tourney. The game was a classic dual between two fine pitchers, Barry Mueller for Niles and 6 ft. 2 in. John Fubeing for Elmhurst. Both pitchers displayed outstanding fast balls, however, Mueller outclassed the Elmhurst pitcher with 18 strikeouts out of a possible 21. Fine clutch hitting by Dan McDonnell saved the game for the Nilesites and set up an extra sacrifice fly by Pat Swanson scoring Ron Schaffel for the 3 to 2 margin.

Barry Mueller was voted the Most Valuable Player in the tourney by tournament officials. In four games Mueller batted at a .600 clip, 9 for 15 including 7 runs batted in and 2 home run. His most impressive performances were on the mound where he won both games he pitched while striking out 29 batters in 14 innings.

Niles Tournament

NILES 19, WOODDALE 1

Playing before a home town crowd for the first time, the Niles team gave their fans something to cheer about by crushing the Wooddale All-Stars 19-1. Ron Schaffel pitched a sparkling no-hitter striking out 10. Fred Parker and Kev Scotellaro both hit tape measure home runs, John Buesse, Pat Swanson, John Rotunno, Russ Anderson and Dan McDonnell also led the assault on Wooddale pitching.

NILES 13, EDISON PARK 2

Barry Mueller earned his 3rd All-Star victory on the mound by knocking down the Edison Park stars 13-2 on 2 hits and 15 strikeouts. Fred Parker walloped another home run and Barry Mueller (3 for 5), John Rotunno (2 for 3), Russ Anderson (2 for 4) and Ron Schaffel (2 for 4) kept up their steady hitting.

NILES 16, DEERFIELD 4 (Semi-final game)

Russ Anderson, earning his third All-Star win as a pitcher, threw by a tough Deerfield team by allowing them 4 runs on 6 hits while striking out 8. Supplying the batting punch were Barry Mueller (3 for 3), Mike McDonnell (3 for 4), Fred Parker (2 for 4), Russ Anderson (2 for 3), Dan Zelisko and John Rotunno. Ron Schaffel hit a 380 ft. tape measure blast over the left field fence for a home run, his 4th in All-Star competition.

NILES 7, PARK RIDGE 2 (Championship Game)

Niles met Park Ridge in a pitchers' duel with Barry Mueller pitching for Niles and Jerry Jones pitching for Park Ridge. Meuller took over in the first inning and proceeded to strike out 18 of the next 21 batters with his blazing fast ball and dancing curve-hop. Mueller was one pitch away from a no-hitter when Paul Davis, the P.R. left fielder blooped a check swing single into right field for their only hit. Ron Schaffel, Pat Swanson, John Rotunno and Mike and Dan mcDonnell came thru with some fine clutch hitting for the Niles team to give them their 7 runs. Dick Allegretti came up with some sparkling defensive plays to set down two potential P.R. rallies.

Deerfield Tournament

NILES 7, ROUND LAKE 0

Dick Allegretti, starting pitcher for Niles, hurled a 2 hit shutout striking out 12 Round Lake batters. Joe Stroka, Mike Callero, Gary Baluta, Kev Scotellaro, John Buesse and Dan Zelisko did fine work out on the field and at bat to give Niles their 7-0 win.

NILES 13, BUFFALO GROVE 2

Ron Schaffel, pitching for Niles, knocked down the Buffalo Grove stars on 2 runs, 1 hit and 14 strikeouts. Russ Anderson, Dick Allegretti, John Buesse, Pat Swanson and Gary Baluta were the hitting stars for the Niles team.

NILES 14, DEERFIELD 11 (Semi-final)

Hitting was the name of this game with Niles marking 14 times on 13 hits and Deerfield scoring 11 times on 9 hits. Mike Callero got the save in relief of Pat Swanson who got the win. Fred Parker started the game and went 3 innings allowing 1 run on 3 hits, Gary Baluta, Joe Stroka, John Buesse, John Rotunno, Mike Callero, Dan Zelisko and Dan McDonnell supplied most of the hitting for Niles.

NILES 12, DEERFIELD 5 (Championship Game)

Niles, after their 12th consecutive tournament win and third tournament championship scored their usual quota of runs on the hitting of Mike Callero (2 for 3), Dan Zelisko, John Buesse, Kev Scotellaro, Joe Stroka, Russ Anderson (Home run) and John Rotunno. Ron Schaffel held the Deerfield stars off with a fine pitching performance striking out 9 Deerfield batters to come out on top 12 to 5.

Shades of 1967, when most of these same All-Stars, then Little Leaguers, comprised an outstanding All-Star record of 22 wins and 2 losses while also winning three tournaments. Maybe we have some future Chicago Cubs coming up in Niles?

Pony League All-Stars

Film Series For Cinema Buffs

"Grande Illusion" opens the 1969-70 series of "Film: the Liveliest Art" co-sponsored by the Maine Adult Evening school and Notre Dame High school for Boys. It will be shown at 7:30 p.m. Wednesday, Oct. 1 in the auditorium of Notre Dame High school, 7655 Dempster st., Niles.

Greg Wray Is Honored

Greg Wray, 6223 Western, Niles, was chosen by the University of Illinois staff as the outstanding art student at their summer work shop held at Allerton Park.

Each summer the university sponsors the workshops for top high school art students in Illinois. Greg, a Maine Township High school East art student, was sponsored by the Niles Woman's club, Mrs. Walter Kramer, president, reported they had sponsored many such students over the years but that Greg was the first to win this award. "We're certainly proud of him," she said.

Stanley Whitley, Maine East Art department chairman, remarked, "When you consider that this award was earned in competition with 81 of the top high school artists in Illinois, it becomes an impressive achievement indeed."

Registrations Still Open

There's still time to register before the Maine Adult Evening school opens the Fall term this week. Classes begin Thursday, Sept. 25; Monday, Sept. 29; Tuesday, Sept. 30; and Wednesday, Oct. 1. Approximately 300 courses are offered at Maine East, Dempster & Potter, Park Ridge; Maine West, Wolf and Oakton, Des Plaines; Maine South, Dee & Talcott, Park Ridge.

Wherever classes are still open for enrollment, registrations may be made right up to the starting time of class. The curriculum includes courses in the fine arts, sports, electricity, music, data processing, homemaking, languages, mathematics, English, business, mechanical skills, and a variety of subjects of cultural and scientific interest.

Requests for brochures and information on specific classes may be obtained by calling the Maine Adult Evening school offices 299-7187, 296-3400 or 825-7500.

Patrice At Recreation Confab

Patrice Olday, daughter of John R. Olday, 8724 N. Wiener st., Niles, was one of eight Whitewater State university women's physical education majors who attended the Wisconsin State Recreation conference held at Carthage College, Kenosha, Sept. 20.

Judith Anne Ford, Miss American 1968 and an outstanding gymnast, was one of the featured speakers at the conference.

Miss Olday, who is a second semester freshman at Whitewater, is vice-president of the Women's Recreation Association, WRA advisor Martha van Steenderen also attended the meeting.

News Around

A boy, Steven Lewis, was born in Lutheran General hospital, Aug. 27, to Dr. and Mrs. Maurice E. Joseph, 7923 N. Nordica ave., Niles. The baby weighed 7 lb. 8-1/2 oz.

'A Fine Pair'

The Eternal City of Rome provides the perfect background for Rock Hudson and Claudia Cardinale who star as lovers on opposite sides of the law in the romantic mystery "A Fine Pair." Starts Friday at the Golf Mill theatre.

Distribute Calendars

Pictured are Lt. W. Blase of the Niles Bureau of Fire Prevention and Ron Friedman, owner of Booby's Drive-In.

Over 150 fire prevention calendars were recently distributed to Niles businesses as a public service, the Niles Fire Department reported.

The calendars contain a dramatic illustration which serves as a constant reminder of the perils of fire, in addition to the emergency number of the Niles Fire Department.

The calendars are distributed prior to Fire Prevention Week, which this year is being celebrated nationally from Oct. 5 through Oct. 11. Fire Prevention Week commemorates the Great Chicago Fire of 1871.

The cost of the calendars is paid for by the Bunker Hill Country club, 6635 N. Milwaukee ave., and distributed by the department.

If any business wishes to obtain a calendar, a few are still available at department headquarters, 8360 Dempster st., or by calling 827-2124.

Heads JC Center

continued from Morton Grove pg. 1

served as program director of the JCC of Greater Minneapolis and then as assistant director of the San Diego JCC. In April 1965 he joined the staff of the United Jewish Community centers of San Francisco. Here, he became the first director of the new Brotherhood Way Center, a Chicago in September 1967 as coordinator of the JCC staff in-service training program and advisor to the Chicago Jewish Youth Council.

He is co-author of a booklet published by the National Jewish Welfare board, as well as of numerous articles. He was vice-president of the Western State chapter, National Association of Jewish Center Workers in 1965-67 and has servwd on the field instruction faculty of the graduate schools of social work at San Francisco State college, the University of Chicago and George Williams college.

When completed it will greatly enhance the facilities and services now being offered to over 1,000 families currently enrolled in the center's extension program. The new center will be able to serve approximately 2,000 families in the eight north and northwest suburbs of Skokie, Morton Grove, Niles, Des Plaines, Evanston, Glenview, Lincolnwood and Wilmette.

Semifinalists

continued from Morton Grove pg. 1

the highest scores in the state on the qualifying test given last February by the Merit Program to some 740,000 students in 17,250 schools throughout the country in a nationwide search for highly able students.

Semifinalists from Maine East are: Joy Barnitz, 2142 Cedar ct., Glenview; Carol Baum, 7528 Emerson, Morton Grove; Michael Blaszak, 2011 Manor ln., Park Ridge; Virginia Cunningham, 1028 Vernon, Park Ridge; Robert Hykan, 7502 Davis, Morton Grove; David M. Jensen, 1601 Hoffman, Park Ridge;

Neil Lucchese, 9388 Clancy, Des Plaines; Karen L. Miller, 1395 Parkside, Park Ridge; Suzanne M. Penn, 446 Elm, Glenview; Kenneth Pierce, 503 Briarhill rd., Glenview; Earl Richards, 1717 Elliott, Park Ridge; Laurel Schwartz, 8622 N. Ozark, Niles; Jeffrey Skinner, 9248 Maple ln., Des Plaines; Mark R. Wall, 2549 Pick dr., Glenview; and Michael Watt, 9359 Oketo, Morton Grove.

Construction Progresses At Maine High Schools

"Construction work at the Maine High schools is showing steady progress." This was the comment made by Roy O. Makela, Niles board member and chairman of the building committee, to the Board of Education at a meeting held Sept. 15 at Maine East High school.

Makela told the board Phase I of Maine East construction is 96% complete and Phase II is 32% complete.

Phase I includes a new cafeteria, girls' gym, industrial education classrooms, new bookstore, and renovated student and faculty dining room. The new swimming pool will be ready for use about Nov. 1. Phase II includes a new learning resource center and another new section of the building which includes basement storage, an area for special education, an addition to art classrooms and a television and radio studio.

In action related to school construction, remodeling and renovation, the Board of Education approved:

- $5,620.65 to be added to the contract for additional tile, rubber base and slab preparations for the learning resource center at Maine East.
- $667.70 to be added to the contract to furnish and install resilient tile flooring in Room 112 (electric shop) at Maine East.
- $700.00 to remove and replace a concrete walk between the faculty dining room and fieldhouse at Maine East.

The Board also approved a proposed three-year plan to install 45 emergency lights at Maine South - 15 to be purchased immediately and the other 30 to be purchased within a two year period. The Board also authorized the purchasing office to proceed with contracts in the amount of $3,100 to develop a new parking lot at Maine South for personnel who will work at the district's new administration center, located on the Maine South campus.

Based upon the recommendation of E.R. Gritschke and Associates, Inc., consulting heating engineers, the Board of Education accepted the low bid of Murphy-Miles Division of American Oil Company, at .0637 delivered price per gallon which is .0133 per gallon below the Chicago tank wagon price of .0770 per gallon.

In other action the Board approved the expenditure of:

- $80,750.12 in various bids on equipment and service awarded on the basis of the lowest competitive bid.
- $15,433.13 for the purchase and installation of television equipment at Maine West.
- $9,865.90 for 33 microscopes to be used in the science laboratories at Maine East and Maine South.

In order to acquire adequate access from Central rd. to the Maine North site the Board of Education approved a resolution of intent for the exchange of several parcels of land with the Ridgewood Cemetery Company.

In matters concerning personnel the Board of Education accepted four teacher resignations and approved seven teacher appointments. The Board also approved the hiring of five non-certified employees, four of whom will replace persons who have resigned.

The Board passed a resolution which authorizes the issuance of tuition payments as provided by Illinois statute for residents who have filed notices of intent in accord with the provisions of the statute on junior colleges. With the formation of the new Niles-Maine Junior College only those residents of District #207 who live south of the expressway are eligible to file these notices of intent.

Checking Listings

Vince Johnson, vice-president, Niles Chamber of Commerce, checks names of businessmen he personally contacted for listing in forthcoming Chamber directory, to be available in near future. Manager of Lyttons in Golf Mill, Johnson has served on the Niles Chamber board of directors for a number of years, formerly as program chairman. Next month's program for the Chamber will be a talk by TV Weathercaster Harry Volkmann on Oct. 14. Further details concerning the luncheon program will be announced by Robert Wordel, Chamber president.

At Teen Dance

Teens of Niles enjoying their first dance sponsored by the "Niles Teen Board." Dance was held at Niles college on Aug. 20.

Forum Sept. 29 For 13th Dist. Candidates

North Shore Forum of the Chicago Council on Foreign Relations is sponsoring a forum on foreign policy issues for candidates in the 13th Congressional District, in the North Shore suburbs. All nine candidates for the Republican nomination have been invited to attend.

The forum will be held Monday, Sept. 29 at Avoca Junior High school, 2921 Illinois rd., Wilmette at 7:30 p.m.

Each candidate will speak for five minutes and then submit to questioning from the audience. Each candidate is being asked to devote part of his speech to answers to these specific questions:

1. What is your postion on the Vietnam war?

2. What should be the policy of the United Sates toward the Soviet Union in the next few years?

Welcome

A girl, Julie Ann, was born in Lutheran General hospital, Sept. 3, to Mr. and Mrs. Paul Frank Knaub, 168 W. Dulles, Des Plaines. The baby weighed 7 lb., 12-1/2 oz.

TOPS Open House

Niles TOPS (Take Off Pounds Sensibly) will hold open house Monday, Sept. 29 at the Niles Recreation center. Refreshments will be served at this meeting. Ladies in the area who are interested in a sensible weight reduction plan might find this meeting inspiring. For additional information call Ruth Kruczinski, 967-7362 or Annette Kloss, 965-6882.

NILES POLICE REPORT

Sept. 22—

Car was reported on fire at Century Auto Rebuilders, Lehigh between Oakton and Touhy. The blaze was extinguished by the Niles and Skokie Fire Depts....Robert Nast, Chicago, told Niles Police his black Schwinn racer bike was stolen while he was at Notre Dame High school for boys, 7655 Dempster...An attempted break-in was reported at Fairbanks-Ward, 7520 Caldwell. The cylinder-type lock on the service door had been tampered with....Robert Rinaldi, 3, of 7708 Monroe, was taken to LGH after the youngster swallowed a screw....Vandalism to her home was reported by Helen Keller, 8067 Foster ln. A bullet hole was found in a window of her home....NFD ambulance transported Martha Topp, 87, of 9201 Maryland, to LGH after she complained of feeling dizzy and suffering pains.

Sept. 21—

Tim Bialek, 13, of 8414 Madison dr., was bitten on the lip by a dog owned by his uncle....Theft of money from the cash register at the Clark Gas station, 6747 Touhy, was reported to police. The attendant told police officers $60 was taken from the cash register as a customer remained in the station while the attendant was checking the air in some tires....Theft from his auto was reported by Raymond Posphala, 7700 Neva. Unknown persons took 2 hub caps from the car while it was parked in Posphala's driveway.

Sept. 20—

853 auto accidents have been recorded to date by Niles Police Dept....Alex Focosi, 67, of 7856 Waukegan, was taken to LGH by NFD ambulance after he complained of feeling faint....Stolen motorcycle was reported to police by Phillip Gianni, 7910 Caldwell. Taken was a 1969 bronze-grey Triumph. Burglary was reported by Bellayne Carpets, 8809 Milwaukee. The rear door had been forced open. Taken were a TV set, Kodak camera and an adding machine, all valued at a total of $250....Burglary at Bella Via Beauty Shop, 8811 Milwaukee, was reported. Entry was made by prying open the rear door with a crow bar. According to Martin Gaggiano, 9036 Washington, unknown persons took $100 in currency....Burglary was reported at Armands, 8801 Milwaukee. Unknown persons entered the building through the southeast side door and took an undetermined amount of money.

Sept. 19—

James O'Donnel, 8228 Harlem, was bitten on the left leg by a dog while the youth was at 8310 Harlem....Stolen motorcycle was reported to police by Mrs. Helen Freeman, 9009 Grace. Belonging to her son, Stephen, the '69 motorcycle was chained to the cyclone fence in the Freeman yard.

Sept. 18—

Criminal damage to property was reported to police by Lawrence Brown, 8603 Oleander. His car was sprayed with paint....Harold Brown, also of the Oleander address, reported to police his house and car had been sprayed with blue paint....Theft was reported at 7139 Milwaukee. Taken were a 21-inch Motorola TV set, pots and pans and dishes. A lamp was broken. Total value was set at $200.

Prepare For School Nite

Nine elementary schools in Niles are cooperating with the Northwest Suburban Council of the boy scouts in school night for scouting on Sept. 30.

Jefferson, Ballard, Oak, Wilson and Niles Public School South will be used.

The following parochial schools have volunteered their facilities: Our Lady of Ransom school, St. John Brebeuf school, St. Isaac Jogues schol and St. Johns school.

At the schools a take home flyer will be given all boys 8 through 18 years of age, reminding them and their parents to attend this meeting and have the opportunity of entering the scouting program at the beginning of the program year.

Maine Ridge District organization and extension chairman John Breen, 7259 Greenleaf, will have cub and scout leaders at each school who will explain all the fun and merits of scouting.

Welcome

A girl, Sharon Dawelle, was born in Lutheran General hospital, Sept. 8, to Mr. and Mrs. H. Ronald Kaufman, 688 Lee st., Des Plaines. The baby weighed 8 lb., 12 oz.

TAM Property

continued from Niles & East Maine pg. 1

property Commissioners decided they should consider overt action which may lead to the purchase during the alloted time. Park Board members voiced fears if the legal stalemate continues for the remaining 38 months Anderson could sell the property to other interested parties. Among those parties could be the village of Niles, which also has an option for the purchase in the event the park district does not exercise the option.

A lower court had originally okayed the zoning for industry but a local citizen's committee, the SAVE TAM Committee, appealed the lower court decision and the Appeals Court voided the decision, sending it back to the lower court for them to reconsider the case.

With the approval of selling liquor on park property the park board members felt this might pave the way for the additional purchase of the clubhouse on Howard st. It was their joint opinion this new liquor bill might be the necessary stimulus to revive action for a settlement on the case.

In other park news it is hoped the Mike Wozniak

Niles Board

continued from Niles & East Maine pg. 1

ing a localized plan which would necessitate the village actually designating certain streets as bike paths. The village attorney as well as Mayor Blase felt this would imply liability on the part of the village if anyone were injured while riding on a village - designated "bike path."

Who has the liability in such an instance was the big question and no further action was taken on this point.

Niles Art Guild president Julia Guarnaccio and artist Ralph Furmanski presented a painting, purchased by the village, to the village board Tuesday night; Tr. Ang Marchesecki reported unofficially Niles VFW Post 7712 has been named the host for the VFW 4th district 1970 Loyalty Day parade; a disaster plan for the village was accepted in principle as was a comprehensive plan for the village which has been more than a year in the works.

The board also passed a resolution which will prohibit parking on both sides of Gross Point rd., from Lehigh to Touhy; resolutions commending Capt. Gary Olsen, the Woman's Auxiliary of the Niles Police Dept.; resolutions objecting to the federal government and State of Illinois taxing municipal bonds and to any proposed Golf-Rand freeway if it would interfere with economic ability or residential environment of Niles.

Community Center building, in the Oakton Manor Park will be completed in time for the Halloween activities there. The center will seat about 50 people and is approximately half the size of the old Grennan Heights building.

The Recreation Center addition on Milwaukee ave. just received the necessary steel to continue work there. At the Grennan Heights Park footings for the new gym should be poured in the immediate days ahead while at Cumberland Park no bids for the proposed swimming pool and ice rink have been let as yet.

By a split 3 to 2 vote Commissioners approved the paving of the parking area at Jozwiak Park. Com. Walt Beusse told of the need for such action contending since paving work is now being done at the park it is better to do it now than later. Com. Jack Leske said there was no allowance for the money in the budget, and along with Eagan, voted against the project. Provenzano and Sullivan voted with Beusse in approving the $1,100 outlay.

Hurricane

continued from Niles & East Maine pg. 1

Saturday, Sept. 27 from 1 to 5 p.m. Bring your donations to St. John Brebeuf gymnasium, 8307 Harlem ave. Major Tuschoff of the Salvation Army will pick up the items collected and put them into the distribution channels they have already established.

If you desire to make cash donations, send check or money order direct to Salvation Army headquarters, 860 N. Dearborn st., Chicago, Ill. 60610.

If you desire to help with sorting and packing, call 967-7369.

Niles Twsp. Young Demos Hear Dr. Coffin

Dr. Gregory C. Coffin, superintendent of the Evanston Public grammar schools, will discuss the current controversy in the Evanston schools at a meeting of the Niles Township Young Democrats on Monday, Sept. 29 at 8:30 p.m. at 4332 Oakton st., Skokie. The meeting is the initial one in a series of seminar discussions on public issues being sponsored by the Y.D.s.

At Dr. Coffin's request the meeting will be open only to Y.D. members and their invited guests. Those wishing to attend should contact Alan Scheffres at OR 3-7779 or OR-3-1219.

M.G. Board

continued from Morton Grove pg. 1

cy, announced Morton Grove was the first village to turn in monies collected in the Crusade drive for funds. About 60% of the village quota was collected during the first week of the drive.

Houndt reported 44CS street repair program was "well on its way." Dept. of Public Works is preparing the streets for winter, caring for alleys, filling in holes and cracks in streets and removing all diseased trees.

In answer to a request of the Niles Township Committee for Special Education for a special assessment for a 6" water main and the paving of Carol ave., Atty. Nordberg suggested the people to the north of the construction (two parties) be contacted so perhaps this could be done privately at a lower cost. Mayor Bode advised contacting Marvin Glink, the school's attorney, on this matter.

In regards to the remodeling and improvement permit sought by the Phillips Service station people, it was decided to grant the Special Use permit when all the necessary stipulations are met, including the evergreen hedge which is to be maintained by the owner. Another condition which must be met is the hours of operation which should take place no earlier than 6 in the morning or no later than midnight.

John Hilkin reported he and Fred Huber discussed the matter of updating the Zoning Ordinance and the cost of reproducing the ordinance would be about $1,000 to $1,100. It was decided to find a way of reducing the cost. Trustee Hilkin then told the board he attended an all-day session dealing with the problem of waste disposal. Next he said leaf burning in the village will be subject to the following regulations from now till Nov. 1. 1) Leaves must be burned on driveways. 2) They must be burned in small piles. 3) They must not be left unattended.

Hilkin then reported he, Mayor Bode and Dr. Moore met with Skokie's mayor and village manager in an effort to solve the problem caused by the offensive odor and red dust at the Wells Mfg. Co.

Supt. of Public Works Fragassi reported a break in the water main on the 9500 block of Sayre was repaired Sunday. At the hazardous Beckwith and Shermer intersection Rev. Ross suggested a sign be posted saying CHECK YOUR TURN SIGNAL. Supt. Fragassi also said the Gas Co. has agreed to put in its 6" gas main on the west side of Shermer so it will not interfere with any village facilities.

The board passed a resolution proclaiming Oct. 24 as United Nations Day in the village. This was done in response to a letter from Gov. Ogilvie. A request was granted to the United Cerebral Palsy Group which will enable it to conduct a 53 minute march on Jan. 11, 1970.

Niles Park District News

Bridge, Knitting

Learn how to play the challenging game of bridge. Join us on Monday evenings from 7:30 to 9:30 p.m. for beginners bridge. Classes will be held at the Niles Recreation Center, 7877 Milwaukee ave., beginning Oct. 13, and culminating Dec. 15. A follow-up course — advanced bridge — will be offered beginning Jan. 12. A bridge tournament will highlight the end of the second session. Register at the Park Office beginning Oct. 4, registration day. The fee for the 10 week course is $10.00. For further information call 967-6633.

This year the Niles Park District will conduct Knitting classes on Tuesday evenings. A beginners class will be held from 7:30-8:30 p.m. and an advanced class from 8:45-9:45 p.m. Two 9 week sessions will be held with the first session beginning Oct. 14 and culminating Dec. 16. All classes will be held at the Niles Park District Recreation Center, 7877 Milwaukee ave. The beginners class will cover the fundamentals of knitting. The advanced class will teach you how to improve your knitting technique as well as instruction for more advanced work. Register for the class beginning Oct. 4 (registration day) at the park office, 7877 Milwaukee ave. For further information call 967-6633. The fee for the class will be $3.00.

Arts, Crafts

Arts and crafts for youths in first through eighth grade will be offered on Saturdays, by the Niles Park District. This Fall the projects planned are all new and creative. Useful items will be made as well as projects undertaken that will allow for maximum use of your child's creative ability. The instructor for the class, Kathy Annas, is a college art major, and is very skilled in the crafts field. Classes will be held at the Niles Recreation Center, 7877 Milwaukee ave. The first session begins Oct. 18 and culminates Dec. 13. Classes will be held from 9 a.m. to 11 a.m. and from 1 p.m. until 3 p.m. on Saturdays. Register at the Niles Park District Office, 7877 Milwaukee ave., beginning Oct. 4, registration day. For further information call 967-6633.

Ceramics Class

Are you looking for a way to express your creativity? An opportunity to do so, is at hand. Once again, the Niles Park District will offer a ceramics class for adults. Under the leadership of Mrs. Grace Salger, well versed in the art, you will learn the basics of this skill, as well as more advanced techniques, if you have had previous experience.

The session will begin October 17 and culminate November 21, 1969. Classes will be held at the Niles Recreation Center, 7877 Milwaukee ave., on Friday evenings, 7:30 to 9:30 p.m. A $6.00 fee covers the use of equipment, and the cost of firing your products. You may purchase materials from the instructor.

Tumbling

This Fall the Niles Park District will offer a tumbling program for youths in third through eighth grade. Classes will be held at the Niles Recreation Center, 7877 Milwaukee ave., beginning Oct. 18. Three nine-week sessions will be conducted. A beginners class will be held on Saturdays at 1 p.m. and advanced beginners at 2 p.m. A tumbling show will be the highlight of the program in Spring. Don't miss out; plan to join. Register at the Park Office, 7877 Milwaukee ave., beginning Oct. 4, Registration Day.

Tap, Ballet Classes

Get your dancing shoes ready and join the fun. Ballet classes will be held on Wednesday afternoons at 3:45 for beginners (6 years of age and up) and 4:45 for advanced beginners at the Recreation Center, and on Thursday afternoons at 3:15 for beginners (3-5 years old) 4:00 for beginners (6 years and up) 4:45 for advanced beginners. Classes begin October 15 and end December 11. Be sure to register your child beginning October 4 (Registration Day) at the Park District Office, 7877 Milwaukee ave., as the size of classes will be limited. Fee for 9 week session is $3.

Tap dancing instructions will be held at the Niles Park District Recreation Center on Monday or Friday afternoons at 3:45 for beginners and 4:45 for advanced beginners. Classes begin October 13 and end December 12. Registration for this popular class begins October 4 (Registration Day) at the Park District Office, 7877 Milwaukee ave. Be sure to register your child then, as classes are limited. A fee of $3 per 9 week session will be charged. Children must be 6 years of age and must furnish their own tap shoes.

Baton Instruction

Get your batons ready and join the fun. Baton classes will be held on Monday afternoons 3:45 for beginners, 4:45 for Intermediates 1, 5:15 for Intermediates II, Wednesday afternoons 3:45 for beginners, 4:45 advance beginners, 5:15 Intermediates 1, Thursday afternoons 3:45 for Majorettes Group 3, 4:45 for Majorettes Group 2, 5:15 for Majorettes Group 1.

Classes begin October 13 and end December 12. Be sure to register your child beginning October 4 (Registration day) at the park district office, 7877 Milwaukee ave., as the size of classes will be limited. Fee for a nine week session is $3, Children must furnish their own batons.

Lions Candy Day Set For Oct. 10

The traditional "Help the Lions help the Blind" Candy Day will be conducted Friday, Oct. 10 by the Lions club of Niles announced club president Todd Bavaro, 7139 Breen, Niles.

Candy Day helps support the Hadley School for the Blind, Winnetka; Leader Dogs for the Blind, Rochester, Michigan; Illinois Camp Lions for visually handicapped children; Dialogue, a recorded service for the blind and Illinois Society for the Prevention of Blindness.

The Lions club of Niles members and volunteers will man street corners on that date exchanging the familiar candy rolls for contributions to help raise a Statewide goal of $600,000.

Besides the schools, camp and magazine, Candy Day proceeds on a local level will help the Lions club of Niles set up glaucoma clinics, give eye tests and buy Braille writers, tape recorders and canes for the blind. "Each candy roll exchanged," said club president Bavaro, "will help the Lions continue and expand their services to the blind as well as assure the Lions club of Niles continuing aid to the blind and visually handicapped in the community.

Has 45th Edison Year

James Wells, 6973 Keeney st., Niles, observed his 45th service anniversary with Commonwealth Edison Company. He started with the meter department in 1924 as an electrical repairman, later became a meter setter, serviceman and power meterman and is now a dispatcher of district meter work.

During World War II Wells served with the 20th Bomber Command in the South Pacific. He is a member of Commonwealth Edison Post of the American Legion and of the Edison Camera club. He and his

James Wells

wife, Catherine, have been married 35 years and have lived in their Keeney street home 15 years. Their daughter, Kathleen, is employed.

Marriage Bureau
Perfect Match
For People 18 to 75

My unique service guarantees the most successful and reliable life partner. My thorough investigation and psychological analysis helps in bringing together the right people for a congenial happy life and they remain my friends.
I like my clients to feel that I am concerned about choosing every person as carefully as parents about choosing a son-in-law or daughter-in-law. People come into my office complaining about other match-making establishments, but my clients are never disappointed and no one turns away from my office unmarried. They are perfectly matched up, because I choose every person from hundreds making sure that it is a 90% match of every feature and detail and also have lots in common to be happily married.
I also give them good advice on how to get along harmoniously in their married life, so that their marriage will never end in divorce.
I have fine American & European professional clients of all types. For a free confidential, individual consultation call.

OEO Model Program At Forest

The new partial hospitalization concept inaugurated by Forest hospital for the emotionally and mentally ill will be a model for programs being developed by the Office of Economic Opportunity for its neighborhood health care centers, declared Dr. Jack N. Carr, Chief of the Addiction and Mental Health division of the OEO, Sept. 7.

10th Anniversary Of Broadcasting For WMTH

Beginning Sept. 22, WMTH-FM started its 10th year of broadcasting from the studio at Maine Township High school East and the two remote studios at Maine West and Maine South. Programming at 88.5 on the FM dial, will be aired daily from 10 a.m. to 6 p.m.

The 200 plus student staffed station will present a variety of new programs for its 10th anniversary. The news department has expanded coverage to 15 minutes of news at 10:45 a.m., 2:30 p.m. and 5:30 p.m. each day with headlines reported on the hour. Also scheduled for each Wednesday is a 15 minute news commentary at 5:45 p.m. Mike Walcher (Glenview), WMTH news department head, predicts "that the increased national, international and local news coverage will keep all WMTH listeners on top of the news scene."

Scheduled for live coverage this year are all Maine East, Maine South and Maine West home football, basketball and baseball games. For the first time, soccer games will be aired as part of WMTH's complete sports coverage plan. Russ Proch (Niles), sports director at East, with his staff of sportscasters, will conduct interviews before every game. Also, Russ will present "Sports Desk" at 5:45 p.m. on Tuesdays, at which time he will interview Maine Township's coaches and top athletes.

Regular daily scheduling begins at 10 a.m. with "Music 220," a program carrying college credit for listeners. One hour later, luncheon music is scheduled to be played lasting until 1 p.m. Each day a new disc jockey will be featured. The line-up of jockeys is Monday, Steve Kasper (Niles), Tuesday, Gary Blume (Morton Grove), Wednesday, Pat Rea (Niles), Thursday, John Tsarpalas (Glenview), and Friday, Chris Papajohn (Glenview).

WMTH also will present once-a-week programs. On Mondays at 5 p.m., Cheryl Fetch (Niles) and Marlene Goodman (Morton Grove) broadcast "Cat's Merry Tales," a show for primary grade children featuring songs, games and stories. Also on Mondays WMTH has scheduled "Meet the Faculty," an interview show that lets students and parents learn more about Maine Township and the school administration and staff.

On Tuesdays, George Rimnac (Glenview) and Mike Walcher (Glenview) broadcast "Jazz and Chatter," WMTH's public affairs program where a featured speaker answers questions put forth by Rimnac and Walcher. The audience can also participate and ask questions or state their opinions by calling 825-4493.

Every Wednesday, WMTH plays tapes leased from the National Educational Radio Network. These tapes include such topics as "The History of America," "The History of the American Negro," "Family Problems," as well as other topics of national significance.

"Spotlight" is another of WMTH's programs hosted by Rich Koz (Morton Grove). It features different Maine East students as guest disc jockeys and has other talented Maine East students present their acts. "Spotlight" is scheduled for 4:30 p.m., Thursdays.

On Fridays, Mike Schlobohm (Glenview) presents the "Twin 8 Survey," a program which airs the top 16 hits in Maine Township. The weekly surveys are are distributed to all neighborhood record shops and to all Maine Township high school students.

Faculty sponsors at Maine East are Theorn Whitfield, electronics instructor, and Mrs. Cynthia Schaulis of the speech/drama department.

Women's Opportunity Series

Women who have achieved success and personal fulfillment in the fields of communications, education, politics, business, and social service will serve as guest speakers in a series of 8 programs on "Growth: A Challenge for Modern Woman." This new course is offered by the Maine Adult Evening School on Tuesday evenings, 7:30-9:30 at Maine Township High school East, Dempster and Potter, Park Ridge.

The opening session Sept. 30 will feature Carol Kleiman, editor of the Chicago Tribune's "Working Woman" column. She will recount her own experiences in combining homemaking with a career, and those of the women she encounters who are successfully employed in widely diverstified areas.

In the series, Mrs. Kleiman will be followed by Lenore Greising, a Park Ridge homemaker who is continuing her education by working toward a college degree; Janice Krause, Skokie, a civil rights volunteer; Norma L. Morrison, former village trustee of Glenview and Joan Golberg, Niles, of the League of Women Voters; Lois Daskalakgis, Glenview, social worker; Mrs. Jack Nixon, Morton Grove, business woman; Beatrice Swarm, Evanston, Project co-ordinator for Middle School, National College of Education; and La Verne Kueker, Norwood Park, counselor for the Illinois State Employment Service.

The Maine Adult Evening School, 299-7187, can supply information on registration and tuition.
